Dear Kevin

Manawatu District Council: Stopping of part of Opawe Road, Manawatu

The Manawatu District Council (Council) proposes to close the part of an unformed legal road at Opawe Road as indicated on the attached aerial photograph and SO Plan. The purpose of this letter is to advise that the public notification process has begun.

The Council has instructed The Property Group Ltd ("TPG") to undertake the road stopping action. The unformed road is not used as road by the general public, but rather, is occupied by the owner immediately adjoining the unformed road, and it is in fact fenced in with their land held in RT WNB2/1185. For this reason, the adjoining owner has requested the road be stopped and amalgamated with their land in that title.

The Minister for Land Information has granted consent to the road stopping pursuant to s342 Local Government Act 1974 on the condition that the right of way shown marked A on SO 554632 is created when the land is transferred.

Accordingly, the portion of Opawe Road shown as Section 1 SO 554632 attached, will be stopped in accordance with Section 342 of the Local Government Act 1974 (Schedule 10). Following completion of the public notification period and legalisation, the road to be stopped (Section 1 SO 554632) will be transferred and amalgamated with the adjoining title being RT WNB2/1185 and the pedestrian access right of way in favour of Council will be created in accordance with the Council resolution.

If you have any objection to the road stopping, please provide your submission in writing prior to **Thursday 9 June 2022**, which is the end of the public notification period – being 40 days after the first notice is published. Please address any objections to:
