Kia ora - sending through an OIA request :) if this can please be sent through, thanks so much!

1. How many restructures have there been in the last year? (July 28, 2024-July 28, 2025)
2. How many times - and what for - have consultants been brought in or used, at any point in regards to restructures (or proposed restructures), in the last year? Which firms have been used?
3. Overall, how much has been spent on consultants in relation to restructures in the last year? (Please break this down if they were used for different restructures)
4. How many post-restructure reviews have been carried out? Please provide any post-restructure reviews that have been completed in the last year.
5. How much money has been saved, or estimated to be saved through the restructures in the last year?

Kind regards,
